MEDICAID READINESS

As part of our In The Community Initiative **"Meet The Moment"** the Detroit MOTTEP Foundation has partnered with the National Kidney Foundation of Michigan for **"Medicaid Readiness"** an outreach and public awareness on Medicaid redetermination. MOTTEP MEN

Over the past year the Detroit MOTTEP partnered with Priority Health for our In The Community Initiative **"MOTTEP Men"**. This initiative is focusing on empowering African-American males aged 18-35. Our primary objective is to utilize a peer educator approach to educate and raise awareness among these young men about the risk factors associated with Chronic Kidney Disease (CKD).

Check out the PSAs produced in partnership with Digital Detroit Media (DDM) for the campaign.
